

# Start Over From Scratch

Brian E. Young

**♩ = 150**

**C C7 F Fm**

You can't save a crash-ing world, man. This pla-net  
You can't re - set me from a back - up Peo-ple can't

**6**

came frag-ment-ed and bro - ken. Pi - lot, you want  
re - boot e - very small prob - lem Com-men-cing re-for-mat-ting

**11**

to up-load a mea-ning-ful part? Think with your mo - ther - board  
back to your be - gin - ing and end I'm shut-ting down your main-frame.

**15**

**E7 A7 F#dim**

Shut down your hu - man heart A-no-ther temp-o-ra-ry  
My last hope, one last hope

**20**

**A7 E7**

bug fix (La la la la la) Stop try-ing to ap-ply this patch

**25**

(La la la la la) Give up you fool as my c-p - u cools

**30**
